2.2 TERMS AND CONDITIONS

2.2.1 Venue and Governing Law

Respondent hereby agrees and acknowledges that venue and jurisdiction of any suit, right, or cause of action arising out of or in connection with this RFP, the Contract and any ensuing Agreement shall lie exclusively in either Williamson County, Texas or in the Austin Division of the Western Federal District of Texas, and the parties hereto expressly consent and submit to such jurisdiction. Furthermore, except to the extent that this RFP, the Contract and any ensuing Agreement is governed by the laws of the United States, this RFP, the Contract and any ensuing Agreement shall be governed by and construed in accordance with the laws of the State of Texas, excluding, however, its choice of law rules.

2.2.2 Incorporation by Reference and Precedence

The Contract shall be derived from (1) the RFP and its Addenda; and (2) the Respondent's Proposal. In the event of a dispute under the Contract, applicable documents will be referred to for the purpose of clarification or for additional detail in the following order of precedence: (1) the RFP and its Addenda; and (2) the Respondent's Proposal.

In the event Williamson County requires that an ensuing Agreement be executed following award and a dispute arises between (1) terms and conditions of the ensuing Agreement, (2) the RFP, and its Addenda; and (3) the Respondent's Proposal, applicable documents will be referred to for the purpose of clarification or for additional detail in the following order of precedence: (1) terms and conditions of the ensuing Agreement and its Addenda, (2) the RFP and its Addenda; and (3) the Respondent's Proposal.

2.2.3 Ownership of Proposal

Each Proposal shall become the property of Williamson County upon submittal and will not be returned to Respondents unless received after the submittal deadline.

2.2.4 Disqualification of Respondent

Upon signing and submittal of the Proposal, a Respondent offering to sell supplies, materials, services, or equipment to Williamson County certifies that the Respondent has not violated the antitrust laws of this state codified in Section 15.01, et seq, Business & Commerce Code, or the Federal Antitrust Laws, and has not communicated directly or indirectly the offer made to any competitor or any other person engaged in such line of business. Any or all Proposals may be rejected if Williamson County believes that collusion exists among the Respondents.

2.2.5 Funding

County intends to budget and make sufficient funds available and authorize funds for expenditure to finance the costs of the Contract. Respondents understand and agree that the County's payment of amounts under the Contract shall be contingent on the County receiving appropriations or other expenditure authority sufficient to allow the County, in the exercise of reasonable administrative discretion, to make payments under the Contract.

2.2.6 Assignment, Successors and Assigns

The Successful Respondent may not assign, sell, or otherwise transfer the Contract or any other rights or interests obtained under the Contract without written permission of the Williamson County Commissioners Court. The Contract and any ensuing Agreement shall be binding upon and inure to the benefit of the contracting parties and their respective successors and permitted assigns.

2.2.7 Implied Requirements

Products and services not specifically described or required in the RFP, but which are necessary to provide the functional capabilities described by the Respondent, shall be deemed to be implied and included in the Proposal.

2.2.8 Termination

a. Termination for Cause: Williamson County reserves the right to terminate the Contract and/or any ensuing Agreement for default if the Successful Respondent breaches any of the RFP Specifications, Terms and Conditions, including warranties of Respondent, if any, or if the Successful Respondent becomes insolvent or commits acts of bankruptcy. Such right of termination is in addition to and not in lieu of any other remedies Williamson County may have at law or in equity or as may otherwise be provided herein. Default may be construed as, but not limited to, failure to deliver the proper goods and/or services within the proper amount of time, and/or to properly perform any and all other requirements to Williamson County's satisfaction, and/or to meet all other obligations and requirements.

b. Termination for Convenience: Williamson County may terminate the Contract and/or any ensuing Agreement for convenience and without cause or further liability, upon ninety (90) calendar days

written notice to Successful Respondent. In the event Williamson County exercises its right to terminate without cause, it is understood and agreed that only the amounts due to the Successful Respondent for goods, commodities and/or services provided and expenses incurred to and including the date of termination, will be due and payable. No penalty will be assessed for Williamson County's termination for convenience.

2.2.9 Non-Performance

It is the objective of Williamson County to obtain complete and satisfactory performance of the requirements set forth herein. In addition to any other remedies available at law, in equity or that may be set out herein, failure to perform may result in a deduction of payment equal to the amount of the goods and/or services that were not provided and/or performed to the County's satisfaction. In the event of such non-performance, the County shall have the right, but shall not be obligated, to complete the services itself or by others and/or purchase the goods from other sources. If the County elects to acquire the goods or perform the services itself or by others, pursuant to the foregoing, the Successful Respondent shall reimburse the County, within ten (10) calendar days of demand, for all costs incurred by the County (including, without limitation, applicable, general, and administrative expenses, and field overhead, and the cost of necessary equipment, materials, and field labor) in correcting the nonperformance which the Successful Respondent fails to meet pursuant to the requirements set out herein. In the event the Successful Respondent refuses to reimburse the County as set out in this provision, County shall have the right to deduct such reimbursement amounts from any amounts that may be then owing or that may become owing in the future to the Successful Respondent.

2.2.10 Proprietary Information and Texas Public Information Act

All material submitted to the County shall become public property and subject to the Texas Public Information Act upon receipt. If a Respondent does not desire proprietary information in the Proposal to be disclosed, each page must be clearly identified and marked proprietary at time of submittal or, more preferably, all proprietary information may be placed in a folder or appendix and be clearly identified and marked as being proprietary. The County will, to the extent allowed by law, endeavor to protect from public disclosure the information that has been identified and marked as proprietary. The final decision as to what information must be disclosed, however, lies with the Texas Attorney General. Failure to clearly identify and mark information as being proprietary as set forth under this provision will result in all unmarked information being deemed non-proprietary and available to the public. For all information that has not been clearly identified and marked as proprietary by the Respondent, the County may choose to place such information on the County's website and/or a similar public database without obtaining any type of prior consent from the Respondent.

To the extent, if any, that any provision in this RFP or in the Respondent's Proposal is in conflict with Tex. Gov't Code 552.001 et seq., as amended (the "Public Information Act"), the same shall be of no force or effect. Furthermore, it is expressly understood and agreed that Williamson County, its officers and employees may request advice, decisions and opinions of the Attorney General of the State of Texas in regard to the application of the Public Information Act to any items or data furnished to Williamson County as to whether or not the same are available to the public. It is further understood that Williamson County's officers and employees shall have the right to rely on the advice, decisions and opinions of the Attorney General, and that Williamson County, its officers and employees shall have no liability or obligation to any party hereto for the disclosure to the public, or to any person or persons, of any items or data furnished to Williamson County by a party hereto, in reliance of any advice, decision or opinion of the Attorney General of the State of Texas.

2.2.11 Right to Audit

Successful Respondent agrees that Williamson County or its duly authorized representatives shall, until the expiration of three (3) years after termination or expiration of the Contract and/or the ensuing Agreement, have access to and the right to examine and photocopy any and all books, documents, papers and records of Successful Respondent, which are directly pertinent to the services to be

performed or goods to be delivered for the purposes of making audits, examinations, excerpts and transcriptions. Successful Respondent agrees that Williamson County shall have access during normal working hours to all necessary facilities and shall be provided adequate and appropriate work space in order to conduct audits in compliance with the provisions of this section. Williamson County shall give Successful Respondent reasonable advance notice of intended audits.

2.2.12 Inspections and Testing

Williamson County reserves the right to inspect and test equipment, supplies, material(s) and goods for quality and compliance with this RFP, and ability to meet the needs of the user. Demonstration units must be available for review. Should the goods or services fail to meet requirements and/or be unavailable for evaluation, Williamson County can deem the Respondent to be in breach and terminate the Contract and/or any ensuing Agreement(s).

2.2.13 Proposal Preparation Cost

Cost of developing Proposals is entirely the responsibility of Respondents and shall not be charged to Williamson County. There is no expressed or implied obligation for Williamson County to reimburse Respondents for any expense incurred in preparing a Proposal in response to this RFP and Williamson County will not reimburse Respondents for such expenses.

2.2.14 Indemnification

IT SHALL NOT ABATE OR END BY REASON OF THE EXPIRATION OR TERMINATION OF THE CONTRACT AND/OR ANY ENSUING AGREEMENT UNLESS OTHERWISE AGREED BY WILLIAMSON COUNTY IN WRITING. THE PROVISIONS OF THIS SECTION SHALL SURVIVE THE TERMINATION OF THE CONTRACT AND SHALL REMAIN IN FULL FORCE AND EFFECT WITH RESPECT TO ALL SUCH MATTERS NO MATTER WHEN THEY ARISE.

THERE IS A DETERMINATION BY A COURT OF COMPETENT JURISDICTION THAT THE ACTS AND OMISSIONS OF RESPONDENT ARE NOT AT ISSUE IN THE MATTER.

Successful Respondent's indemnification shall cover, and Successful Respondent agrees to indemnify Williamson County, in the event Williamson County is found to have been negligent for having selected Successful Respondent to perform the work described in this request. The provision by Successful Respondent of insurance shall not limit the liability of Successful Respondent under the Contract and/or any ensuing Agreement.

2.2.15 Waiver of Subrogation

Successful Respondent and Successful Respondent's insurance carrier waive any and all rights whatsoever with regard to subrogation against Williamson County as an indirect party to any suit arising out of personal or property damages resulting from the Respondent's performance under this Contract and any ensuing Agreement.

2.2.16 Relationship of the Parties

The Successful Respondent shall be an independent contractor and shall assume all of the rights, obligations, liabilities, applicable to it as such independent contractor hereunder and any provisions herein which may appear to give County the right to direct the Successful Respondent as to details of doing work herein covered or to exercise a measure of control over the work shall be deemed to mean that the Successful Respondent shall follow the desires of County in the results of the work only. County shall not retain or have the right to control the Successful Respondent's means, methods or details pertaining to the Successful Respondent's performance of the work. County and the Successful Respondent hereby agree and declare that the Successful Respondent is an independent contractor and as such meets the qualifications of an "Independent Contractor" under Texas Workers Compensation Act, Texas Labor Code, Section 406.141, that the Successful Respondent is not an employee of County, and that the Successful Respondent and its employees, agents and sub-contractors shall not be entitled to workers compensation coverage or any other type of insurance coverage held by County.

2.2.17 Sole Provider

The Successful Respondent agrees and acknowledges that it shall not be considered a sole provider of the goods and/or services described herein and that Williamson County may contract with other providers of such goods and/or services if Williamson County deems, at its sole discretion, that multiple providers of the same goods and/or services will serve the best interest of Williamson County.

2.2.18 Force Majeure

If the party obligated to perform is prevented from performance by an act of war, order of legal authority, act of God, or other unavoidable cause not attributable to the fault or negligence of said party, the other party shall grant such party relief from the performance. The burden of proof for the need of such relief shall rest upon the party obligated to perform. To obtain release based on force majeure, the party obligated to perform shall file a written request with the other party.

2.2.19 Severability

If any provision of this RFP, the Contract or any ensuing Agreement shall be held invalid or unenforceable by any court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision thereof, but rather the entire RFP, Contract or any ensuing Agreement will be construed as if not containing the particular invalid or unenforceable provision or provisions, and the rights and obligation of the parties shall be construed and enforced in accordance therewith. The parties acknowledge that if any provision of this RFP, the Contract or any ensuing Agreement is determined to be invalid or unenforceable, it is the desire and intention of each that such provision be reformed and construed in such a manner that it will, to the maximum extent practicable, give effect to the intent of this RFP, the Contract or any ensuing Agreement and be deemed to be validated and enforceable.

Nothing herein shall be deemed to waive, modify or amend any legal defense available at law or in equity to Williamson County, its past or present officers, employees, or agents, nor to create any legal rights or claim on behalf of any third party. Williamson County does not waive, modify, or alter to any extent whatsoever the availability of the defense of governmental immunity under the laws of the State of Texas and of the United States.

2.2.26 No Waiver

The failure or delay of any party to enforce at any time or any period of time any of the provisions of this RFP, the Contract or any ensuing Agreement shall not constitute a present or future waiver of such provisions nor the right of either party to enforce each and every provision. Furthermore, no term or provision shall be deemed waived and no breach excused unless such waiver or consent shall be in writing and signed by the party claimed to have waived or consented. Any consent by any party to, or waiver of, a breach by the other, whether expressed or implied, shall not constitute a consent to, waiver of or excuse for any other, different or subsequent breach.

2.2.27 Current Revenues

The obligations of the parties under the Contract and any ensuing Agreement do not constitute a general obligation or indebtedness for which County is obligated to levy, pledge, or collect any form of taxation. It is understood and agreed that Williamson County shall have the right to terminate the Contract and any ensuing Agreement at the end of any Williamson County fiscal year if the governing body of Williamson County does not appropriate sufficient funds as determined by Williamson County's budget for the fiscal year in question. Williamson County may affect such termination by giving written notice of termination to the Successful Respondent at the end of its then-current fiscal year.

2.2.28 Binding Effect

This Contract and any ensuing Agreement shall be binding upon and inure to the benefit of the parties and their respective permitted assigns and successors.

2.2.31 Contractual Development

The Williamson County Commissioners Court may award the Contract on the basis of the initial Proposals received, without any further or additional discussions. Therefore, each initial Proposal should contain the Respondent's best terms and offer. The contents of the RFP and the selected Proposal will become an integral part of the Contract, but may be modified, at Williamson County's sole discretion, by provisions of an ensuing Agreement. Therefore, the Respondent must agree to inclusion in an ensuing Agreement of the Proposal Specifications, Terms and Conditions of this RFP. Williamson County may, at its discretion, opt to conduct further discussions with responsible offerors and request the highest ranked firm's Best and Final Offer.

2.2.32 Entire Agreement

The Contract and any ensuing Agreement shall supersede all prior Agreements, written or oral between the Successful Respondent and County and shall constitute the entire Agreement and understanding between the parties with respect to the services and/or goods to be provided. Each of the provisions herein shall be binding upon the parties and may not be waived, modified amended or altered except by writing signed by the Successful Respondent and County.

2.2.33 Survivability

All applicable agreements that were entered into between Respondent and Williamson County under the terms and conditions of the Contract and/or any ensuing Agreement shall survive the expiration or termination thereof for ninety (90) days unless a new contract has been awarded.

2.2.34 Payment

Unless specified otherwise in this RFP or an ensuing Agreement, the following provision shall control the County's method of payment:

County's payment for goods and services shall be governed by Chapter 2251 of the Texas Government Code. An invoice shall be deemed overdue the 31st day after the later of (1) the date County receives the goods under the Contract; (2) the date the performance of the service under the Contract is completed; or (3) the date the Williamson County Auditor receives an invoice for the goods or services. Interest charges for any overdue payments shall be paid by County in accordance with Texas Government Code Section 2251.025. More specifically, the rate of interest that shall accrue on a late payment is the rate in effect on September 1 of County's fiscal year in which the payment becomes due. The said rate in effect on September 1 shall be equal to the sum of one percent (1%); and (2) the prime rate published in the Wall Street Journal on the first day of July of the preceding fiscal year that does not fall on a Saturday or Sunday.

In the event that an error appears in an invoice submitted by Successful Respondent, County shall notify Successful Respondent of the error not later than the twenty first (21st) day after the date County receives the invoice. If the error is resolved in favor of Successful Respondent, Successful Respondent shall be entitled to receive interest on the unpaid balance of the invoice submitted by Successful Respondent beginning on the date that the payment for the invoice became overdue. If the error is resolved in favor of the County, Successful Respondent shall submit a corrected invoice that must be paid in accordance within the time set forth above. The unpaid balance accrues interest as provided by Chapter 2251 of the Texas Government Code if the corrected invoice is not paid by the appropriate date. As a minimum, invoices shall include:

- (1) Name, address, and telephone number of Successful Respondent and similar information in the event the payment is to be made to a different address
- (2) County contract, Purchase Order, and/or delivery order number

The Successful Respondent may be required by Williamson County to sign an additional Agreement containing terms necessary to ensure compliance with the RFP and Respondent's Proposal.

The Respondent's Proposal should include a sample contract and any additional terms and conditions for the County's review and consideration.
