#### 2.2.1 Initial Contract Term

The Successful Respondent shall provide the goods and/or services described herein for an initial term of four (4) years beginning August 1, 2015 and ending July 31, 2019, ending sixty (60) days from the time fixed by law for the next selection of a depository. If a timed deposit maturity extends beyond the expiration date of the depository contract, the Bank will pledge sufficient securities required by law for public funds to Williamson County to provide for the maturity of the timed deposit. The contract shall allow the County to establish, on the basis of negotiations with the bank, new interest rates and terms with the bank for the final two (2) years of the four (4) year contract as established in 116.021 (b) of the Local Government Code of the State of Texas.

#### 2.2.2 Contract Extensions

The Williamson County Commissioners Court reserves the right to extend this Contract, by mutual agreement of both parties, as it deems to be in the best interest of the County. If approved, this extension will be for an additional twenty-four (24) months. On the renewal of a contract, the County may negotiate new interest rates and terms with the bank for the next two years in the same way and subject to the same conditions as provided by 116.021 (b) of the Local Government Code of the State of Texas. The total period of this Contract, including an extension will not exceed a maximum combined period of seventy-two (72) months. The extension of this Contract is contingent on the appropriation of necessary funds by Commissioners Court for the fiscal year in question. Upon the failure of Commissioners Court to so appropriate in any year, the Successful Respondent may elect to terminate this Contract, with no additional liability to the County. The County and the Successful Respondent agree that termination shall be the Successful Respondent's sole remedy under this circumstance.

#### 2.2.3 Venue and Governing Law

Respondent hereby agrees and acknowledges that venue and jurisdiction of any suit, right, or cause of action arising out of or in connection with this RFP, the Contract and any ensuing Agreement shall lie exclusively in either Williamson County, Texas or in the Austin Division of the Western Federal District of Texas, and the parties hereto expressly consent and submit to such jurisdiction. Furthermore, except to the extent that this RFP, the Contract and any ensuing Agreement is governed by the laws of the United States, this RFP, the Contract and any ensuing Agreement shall be governed by and construed in accordance with the laws of the State of Texas, excluding, however, its choice of law rules.

#### 2.2.4 Incorporation by Reference and Precedence

The Contract shall be derived from (1) the RFP and its Addenda; and (2) the Respondent's Proposal. In the event of a dispute under the Contract, applicable documents will be referred to for the purpose of clarification or for additional detail in the following order of precedence: (1) the RFP and its Addenda; and (2) the Respondent's Proposal.

In the event Williamson County requires that an ensuing Agreement be executed following award and a dispute arises between (1) terms and conditions of the ensuing Agreement, (2) the RFP, and its Addenda; and (3) the Respondent's Proposal, applicable documents will be referred to for the purpose of clarification or for additional detail in the following order of precedence: (1) terms and conditions of the ensuing Agreement and its Addenda, (2) the RFP and its Addenda; and (3) the Respondent's Proposal.

Any or all Proposals may be rejected if Williamson County believes that collusion exists among the Respondents.

#### 2.2.7 Funding

County intends to budget and make sufficient funds available and authorize funds for expenditure to finance the costs of the Contract. Respondents understand and agree that the County's payment of amounts under the Contract shall be contingent on the County receiving appropriations or other

expenditure authority sufficient to allow the County, in the exercise of reasonable administrative discretion, to make payments under the Contract.

#### 2.2.8 Assignment, Successors and Assigns

The Successful Respondent may not assign, sell, or otherwise transfer the Contract or any other rights or interests obtained under the Contract without written permission of the Williamson County Commissioners Court. The Contract and any ensuing Agreement shall be binding upon and inure to the benefit of the contracting parties and their respective successors and permitted assigns.

- **a.** Termination for Cause: Williamson County reserves the right to terminate the Contract and/or any ensuing Agreement for default if the Successful Respondent breaches any of the RFP Specifications, Terms and Conditions, including warranties of Respondent, if any, or if the Successful Respondent becomes insolvent or commits acts of bankruptcy. Such right of termination is in addition to and not in lieu of any other remedies Williamson County may have at law or in equity or as may otherwise be provided herein. Default may be construed as, but not limited to, failure to deliver the proper goods and/or services within the proper amount of time, and/or to properly perform any and all other requirements to Williamson County's satisfaction, and/or to meet all other obligations and requirements.
- **b.** Termination for Convenience: Williamson County may terminate the Contract and/or any ensuing Agreement for convenience and without cause or further liability, upon thirty (30) calendar days written notice to Successful Respondent. In the event Williamson County exercises its right to terminate without cause, it is understood and agreed that only the amounts due to the Successful Respondent for goods, commodities and/or services provided and expenses incurred to and including the date of termination, will be due and payable. No penalty will be assessed for Williamson County's termination for convenience.

#### 2.2.11 Non-Performance

It is the objective of Williamson County to obtain complete and satisfactory performance of the requirements set forth herein. In addition to any other remedies available at law, in equity or that may be set out herein, failure to perform may result in a deduction of payment equal to the amount of the goods and/or services that were not provided and/or performed to the County's satisfaction. In the event of such non-performance, the County shall have the right, but shall not be obligated, to complete the services itself or by others and/or purchase the goods from other sources. If the County elects to acquire the goods or perform the services itself or by others, pursuant to the foregoing, the Successful Respondent shall reimburse the County, within ten (10) calendar days of demand, for all costs incurred by the County (including, without limitation, applicable, general, and administrative expenses, and field overhead, and the cost of necessary equipment, materials, and field labor) in correcting the nonperformance which the Successful Respondent fails to meet pursuant to the requirements set out herein. In the event the Successful Respondent refuses to reimburse the County as set out in this provision, County shall have the right to deduct such reimbursement amounts from any amounts that may be then owing or that may become owing in the future to the Successful Respondent.

#### 2.2.12 Proprietary Information and Texas Public Information Act

All material submitted to the County shall become public property and subject to the Texas Public Information Act upon receipt. If a Respondent does not desire proprietary information in the Proposal to be disclosed, each page must be clearly identified and marked proprietary at time of submittal or, more preferably, all proprietary information may be placed in a folder or appendix and be clearly identified and marked as being proprietary. The County will, to the extent allowed by law, endeavor to protect from public disclosure the information that has been identified and marked as proprietary. The final decision as to what information must be disclosed, however, lies with the Texas Attorney General. Failure to clearly identify and mark information as being proprietary as set forth under this provision will result in all unmarked information being deemed non-proprietary and available to the public. For all information that has not been clearly identified and marked as proprietary by the Respondent, the County may choose to place such information on the County's website and/or a similar public database without obtaining any type of prior consent from the Respondent.

To the extent, if any, that any provision in this RFP or in the Respondent's Proposal is in conflict with Tex. Gov't Code 552.001 et seq., as amended (the "Public Information Act"), the same shall be of no force or effect. Furthermore, it is expressly understood and agreed that Williamson County, its officers and employees may request advice, decisions and opinions of the Attorney General of the State of Texas in regard to the application of the Public Information Act to any items or data furnished to Williamson County as to whether or not the same are available to the public. It is further understood that Williamson County's officers and employees shall have the right to rely on the advice, decisions and opinions of the Attorney General, and that Williamson County, its officers and employees shall have no liability or obligation to any party hereto for the disclosure to the public, or to any person or persons, of any items or data furnished to Williamson County by a party hereto, in reliance of any advice, decision or opinion of the Attorney General of the State of Texas.

#### 2.2.13 Right to Audit

Successful Respondent agrees that Williamson County or its duly authorized representatives shall, until the expiration of three (3) years after termination or expiration of the Contract and/or the ensuing Agreement, have access to and the right to examine and photocopy any and all books, documents, papers and records of Successful Respondent, which are directly pertinent to the services to be performed or goods to be delivered for the purposes of making audits, examinations, excerpts and transcriptions. Successful Respondent agrees that Williamson County shall have access during normal working hours to all necessary facilities and shall be provided adequate and appropriate work space in order to conduct audits in compliance with the provisions of this section. Williamson County shall give Successful Respondent reasonable advance notice of intended audits.

#### 2.2.14 Inspections and Testing

Williamson County reserves the right to inspect and test equipment, supplies, material(s) and goods for quality and compliance with this RFP, and ability to meet the needs of the user. Demonstration units must be available for review. Should the goods or services fail to meet requirements and/or be unavailable for evaluation, Williamson County can deem the Respondent to be in breach and terminate the Contract and/or any ensuing Agreement(s).

#### 2.2.15 Proposal Preparation Cost

Cost of developing Proposals is entirely the responsibility of Respondents and shall not be charged to Williamson County. There is no expressed or implied obligation for Williamson County to reimburse Respondents for any expense incurred in preparing a Proposal in response to this RFP and Williamson County will not reimburse Respondents for such expenses.

November	\$ 8,193,533.73	\$ 36,326,124.26	\$ 44,519,657.99
December	\$ 9,134,026.52	\$ 468,629,485.84	\$ 477,763,512.36
Totals	\$ 122,479,576.03	\$ 838,154,769.19	\$ 960,634,345.22

These amounts are estimates based on 2014 collections, and the amounts will most likely increase by at least 5% annually. About 22% of collections are transferred from the Property Tax and Motor Vehicle accounts to the Treasurer/General Fund with the remainder going to other taxing jurisdictions in the County and to the State. These numbers do provide an accurate view of the variations in collection and ACH transfer volume and in the monthly variances due to property taxes being due in January of each year. Motor Vehicle taxes are fairly consistent throughout the year.

Daily tax collections are not material except in the months of December through February. The collection in January, 2014, totaled \$219,245,599.40. The total of tax collections for 2014 was approximately \$961 million. Of that total, deposits will be received in the following percentages: 50% - December; 23% -

January; 7% February. The remaining 20% is somewhat evenly spread out during the rest of the year, with October and November being the next two most significant months. During the year, the collections are transferred to the other entities daily via ACH transfers. The balances are in our account until the daily ACH's clear.

#### 5.2.16 Check Imaging

Applicant banks must provide either online front/back imaging of checks paid each month or if hard copies of paid checks are included in the monthly statement, they must be sequentially numbered.

#### 5.2.17 Idle Funds

Applicant banks must offer overnight investment of idle funds via a sweep account to a master repurchase agreement.

#### 5.2.18 Earning Credit on Account Balances

Charges for services should be at least partially offset by an earnings credit on monthly account balances. Please specify the calculation of earnings credit allowed by the Bank. An example is as follows:

EXAMPLE	\$1,000,000
Collected Bank Balance	<u>100,000</u>
(Less Reserve Requirement @ 10%)	900,000
Times Earnings Allowance (Assume 91 day T-Bill Rate)	<u>x 5.0%</u>
Annual Earnings Credit	45,000
Divided by	÷ 12
Total Monthly Earnings Credit	\$ 3,750

Please specify Bank's Calculation in your bid (Worksheet 1: Depository)

Collected Bank Balance	\$1,000,000
(Less Reserve Requirement @ 10%)	(100,000)
	\$ 900,000

#### 5.2.19 Other Services

Attach a list of other services your Bank can render for the County. Often proposals are so nearly identical that a Bank's ability to offer additional service, such as short term loans to the County or services rendered without cost to the County, may be used as a factor in the awarding of the contract. Items listed in this section should relate to the County only. Services to employees or individuals associated with the County cannot be taken into consideration.

# 6. SUB-DEPOSITORY SERVICES

The selection of County Sub-Depositories and the terms of Sub-Depository contracts are governed by Texas Local Government Code Annotated, Chapter 116 and Chapter 117, as Amended. It is the intent of the Williamson County Commissioners' Court to contract with bank(s) desiring to be designated as the Williamson County Sub-Depository Bank. The Contract will address only those funds collected and deposited by the Williamson County Emergency Medical Services collections contractor.

As of the date of this Request for Proposals, Williamson County Emergency Medical Services collections contractor is DM Medical Billings, LLC, 88 S. Lakeview Drive, Building 2, Gibbsboro, New Jersey 08026. DM Medical Billings, LLC is required, by its state law, to do business with a federal bank or a state bank of New Jersey and it cannot do business with a foreign state bank. Thus, each Proposer understands and acknowledges that it shall be capable of working with DM Medical Billings, LLC in order to submit a proposal to this Request for Proposal.

Applicant Banks offering Sub-Depository services must meet all provisions prescribed in Request for Proposal Number 15RFP120, unless specifically noted as not required. The Price Sheet indicated as Appendix B will be used to substantiate the Sub-Depository Proposal. Specific Contractual and Service Requirements are noted below.

**RESPONSE REQUIRED FOR EACH SECTION AND SUBSECTION** - Each and every section and subsection of the Request for Proposal requires a response from the Bank Sub-Depository proposers. Proposers submitting a proposal to become a Sub-Depository Bank should complete only the sections applicable to a banking relationship as a Sub-Depository Bank. Responses should be carefully considered. Applicants must format responses in the same sequence as the Request for Proposal. Where totally appropriate, responses may consist of phrases such as "understood", "agreed", "no exception", or "not applicable".

**Minor Exceptions** - Minor exceptions, conditions, or qualifications to any provision of the County's specifications must be clearly identified as such, stating the reasons therefore.

#### 6.1 CONTRACTURAL REQUIREMENTS:

#### 6.1.1 Type of Banking Relationship

The following specifications provide for banking relationship: A Sub-Depository Bank will be authorized to handle a collections account that will be set up to operate to the greatest extent through acceptable electronic banking processes; including deposit, ACH transfers, etc.

COMPLIANCE WITH STATUTES - By returning the Proposal Worksheet the Proposer acknowledges that it understands Chapter 2544 of the Texas Government Code, Chapters 113, 116 and Chapter 117 of the Texas Local Government Code, and all other pertinent Texas statutes that pertain to the managing and safekeeping of Texas County funds, including but not limited to those specified, and will comply with those statutes. In this document the statutes may sometimes be referred to as the "Code".

#### 6.1.2 Bank Affiliation

Each bank must be a member of the Federal Reserve System and the Federal Deposit Insurance Corporation. A Proposer must be a Federal Bank doing business in and having a full service facility within Williamson County, Texas. Proposers who operate under State of Texas bank charter may submit a proposal without membership in the Federal Reserve System.

#### 6.1.3 Duration

The contract will be effective for a four year period beginning August 1, 2015 and ending July 31, 2019.

#### 6.1.4 Renegotiations

Section 116.021 (b) of the Texas Local Government Code specifies that:

"If the contract is for a four-year term, the contract shall allow the Proposer to establish, on the basis of negotiations with the bank, new interest rates and financial terms of the contract that will take effect during the final two years of the four-year contract."

#### 6.1.5 Renewals

The Williamson County Commissioners Court reserves the right to extend this Contract, by mutual agreement of both parties, as it deems to be in the best interest of the County. If approved, this extension will be for an additional twenty-four (24) months. On the renewal of a contract, the County may negotiate new interest rates and terms with the bank for the next two years in the same way and subject to the same conditions as provided by 116.021 (b) of the Local Government Code of the State of Texas.

#### 6.1.6 Investments Made Outside Sub-Depository Banks

Williamson County reserves the right to make investments outside the Sub-Depository Bank(s) in accordance with the Laws of the State of Texas, as a result of court order, and the Williamson County Investment Policy. All investment purchases shall be made on a delivery versus payment basis.

#### 6.1.7 Submitting Financial Statements

Proposers that are wishing to be designated as the Sub-Depository Bank must include as part of the Proposal:

- The Proposer's last three (3) quarterly Uniform Bank Performance Reports.
- The Proposer's last three (3) Call Reports.
- The Proposer's Annual Financial Reports for the past two (2) years.

The selected proposer shall continue, during the term of the Sub-Depository contract, to furnish Williamson County Treasurer updated issues of (a) each quarterly call report and (b) annual financial reports.

**6.1.8** "GOOD FAITH GUARANTEE" Not Applicable to Sub-Depository Banks - The Code does not require a Bank desiring to be designated as a Sub-Depository bank to provide a cashier's check to serve as a good faith guarantee.

#### 6.1.9 Security

Within fifteen (15) days after the selection of the Sub-Depository bank, the selected Bank shall qualify as provided by law. Williamson County will accept Surety Bonds and/or a Securities Pledge Contract provided for under Chapter 116 of the Texas Local Government Code, as the method of securing the funds of Williamson County. The Proposer selected as Sub-Depository will execute within the time prescribed by law a security pledge contract accompanied by securities as hereinafter specified, and/or a bond issued and executed by a solvent surety company or companies authorized to do business in the State of Texas or both such securities pledge contract and bond. To compensate for increases or decreases in Williamson County deposits and fluctuations of market value for pledged collateral, the minimum market value of

collateral will be **103%** of County deposits. Williamson County funds will be moved in order not to exceed the Federal Deposit Insurance Corporation (FDIC) threshold of \$250,000.00.

Pledged securities shall be the kind prescribed by law under Chapter 116, and must be acceptable to Williamson County. The following securities are acceptable to Williamson County:

- 1. U.S. Treasury Notes
- 2. U.S. Treasury Bills
- 3. Government National Mortgage Association Certificates
- 4. Federal Farm Credit Banks Notes and Bonds
- 5. Federal Home Loan Banks Notes and Bonds

- 7. Federal Home Loan Mortgage Corporation Notes and Bonds
- 8. State of Texas Bonds
- 9. Bonds of City, County and Independent School Districts located in Texas with a Moody's rating of AA or better or a Standard and Poor's rating of AA or better.

Adjustable rate mortgages (ARMs) and Collateralized Mortgage Obligations (CMOs) will not be acceptable. The Proposer must be the true and legal owner of all securities, which will be pledged to Williamson County. The securities must be free and clear of all liens, claims, or pledged for other purposes. Williamson County will not accept any security acquired by the Proposer under a repurchase agreement. The securities will be deposited with the Federal Reserve Bank of Dallas without expense to Williamson County under an appropriate contract to be drawn to the provisions of Chapter 116 of the Texas Local Government Code and amendments in accordance with the application, if approved.

#### 6.1.10 Collateral Management

The Proposer must include, as part of the Proposal, a statement as to how the Proposer intends to ensure, on a daily basis, that sufficient collateral is pledged to protect covered accounts. Also, a detailed monthly collateral report is required. The report shall contain security descriptions, par value, current face values, and current market value.

#### 6.1.11 Value of Collateral

The Proposer must propose how it will value pledged securities. Williamson County at any time may investigate the value of any of the securities that may be pledged by the Proposer. The full cooperation of the Proposer will be required in such instance.

#### 6.1.12 Non-Sufficient Checks (HOT CHECKS)

The selected Proposer shall refer all non-sufficient funds/hot checks to the Williamson County Treasurer Office, 710 Main Street, Ste 105, Georgetown, Texas 78626 for disposition.

#### 6.2 Service Requirements

#### 6.2.1 Contact Person

The Proposer must identify a local senior level management person who will be responsible for overseeing Williamson County's entire relationship, who would serve as Williamson County's primary contact and who would be able to make decisions regarding operational aspects of this contract.

#### 6.2.2 Statements

Monthly bank statements will be provided electronically and will include checks, deposit slips, transfer slips and debit and credit memos, processed for ALL accounts. The daily ledger balances, average daily collected balances, number of debits, number of credits, and other items on which charges are based, should also be included in each monthly statement.

Statements should be processed no later than five (5) business days after the close of each month.

A sample bank statement shall be included as a part of the Proposal.

#### 6.2.3 On-Line Services

It is requested that as a part of the proposal the Sub-Depository Bank will provide an on-line PC communication link to Williamson County for daily reporting of fund balances, collected and ledger balances, stop payment requests, confirmations, and detailed debits and credits. Proposer must attach product description, pricing, and sample reports for the on-line PC link available. Proposer shall also provide Remote Deposit Services On-Line in the event Williamson County chooses to utilize such service in the future. Proposers should be prepared to provide the Williamson County Treasurer's Office and/or Williamson County employees an opportunity to physically work with this technology before the contract is awarded.

#### 6.2.4 ACH Transactions

Proposer must provide for acceptance of ACH (Automated Clearing House) credits and debits.

#### 6.2.5 Wire Transfers

Proposer must provide the ability to send wire transfers on an automated or manual basis, and also to provide the ability to receive wire transfers. Bank must provide the ability to restrict outgoing wire transfers (debits) to only those authorized.

#### 6.2.6 Deposit Services

Proposer shall guarantee immediate credit on all wire transfers, ACH transactions and government checks upon receipt and all other checks based on the Proposer's Availability Schedule. All deposits received before the Proposer's established deadline will be credited daily. Bank will include a copy of their Availability Schedule as part of the proposal.

#### 6.2.7 Other Unspecified Services or Costs

Other services and/or costs not specified in this document should be listed and attached, along with a description and unit pricing.

Jerri Jones (or successor), Williamson County Treasurer, 710 Main Street, Ste. 105, Georgetown, TX 78626 shall serve as Williamson County's Contract Administrator with designated responsibility to ensure compliance with the requirements of the Contract and any ensuing agreement, such as but not limited to, acceptance, inspection and delivery. The Contract Administrator will serve as liaison between Williamson County Commissioners Court and the Successful Respondent.

The Proposal evaluation and selection process is detailed in this section, as are other factors, and the format in which the Price Proposal of each Proposal should be submitted.

#### 8.2 Price Proposal

The Respondent must utilize the form provided in either Appendix A (Depository) and/or Appendix B (Sub-Depository) below in its submission of a Price Proposal in response to this RFP.
